"(We) enjoyed a very entertaining performance by Don Stevenson... his show was very well received and enjoyed by our audience. The show was well suited to the audience he was presenting to in terms of being professional and appropriate for a corporate function. Don incorporated audience members into his act, allowing them to contribute in the various magic acts he demonstrated to the audience. The constant laughter from the attendees of Don's show very much indicated that the show was a hit! I received very positive feedback from fellow employees who attended... that the show was an enjoyable experience. I was very impressed with the preparation.....a follow up phone call by Don to discuss details for the show. The extra time taken in order to do this enabled a show that was customized to the audience Don was presenting to and allowed the audience to appreciate the material he presented as it related to them. On behalf of the attendees of this year's party, I would like to say that we were very fortunate to have Don as our entertainer and guest, and would

enjoy another booking with him in future years. I would further recommend Don to anyone looking for an entertaining and enjoyable performer!" Marla Rutten, Canada Customs and Revenue Agency

"We engaged Don for our annual Christmas party. Our group had decided that we wished to be entertained and we were looking for some fun and some laughter. Don provided exactly what we were looking for. Don was very sensitive to the tough time our group was going through and provided humour and very good magic, all in very good taste. We all enjoyed his presentation and would gladly recommend him to anyone." Susan Haswell, Merrill Lynch Canada, Inc.

"Your show was laid back, funny and respectful. Your brand of comedy and unique approach to magic tricks resulted in a program that had appeal for everyone... I will certainly be keeping you in mind for future special occasions." Arlene Franko, Manager, SGI

"Thanks again for the excellent after dinner entertainment." Doug Lessing, City of Regina, Employees Credit Union

"Thank you very much indeed for the wonderful show that you gave to the RCMP . . . I have received much favourable comment from those who attended and your light humour and amazing sleight-of-hand were very much appreciated. Particularly impressive was your easy delivery and the pleasant manner that you displayed in entertaining your audience for almost an hour. We certainly were spellbound! I thoroughly enjoyed my dealings with you and look forward to seeing you again." Steve Smedley, Communications & Events Management Services, RCMP

"You performed a wonderful half hour of magic and comedy entertainment at our staff Christmas party....it was great to have an evening with tasteful entertainment and humour." Linda Ostryzniuk, Salvation Army

"Thanks so much for the other night at our event. The evening after ... you received rave reviews." Larry Fahlman, Sports Manager

"Don, it was nice meeting you and watching as you entertained us for over an hour. You had the audience attention. As you introduced yourself stating you were 'just developing' your talents and as you went through a number of 'attempts', you were excellent and humorous in your 'failures.' But whenever you did want something to happen, it did so beautifully! I guess the next David Copperfield! Did you notice after your presentation was concluded, not one person got up to leave -- I had to discharge them, and you know what that tells me -- you were super! Thanks again Don, we sure appreciated having you perform for us." John Tokaresik, Chair -- Lions Club Fall Convention

"I just wanted to let you know how much everyone enjoyed your show Friday night. You made our Christmas Party, you are the talk of the office this morning." Heather, Balzers Canada Ltd.

"On behalf of our Employee Recognition Committee, I wanted to say Thank-you for the wonderful job you did yesterday at the luncheon. As always, your show captivated everyone's attention, and was the highlight of the luncheon. Thank-you again for taking the time from your busy schedule --- we thoroughly enjoyed it." Lynn

Jacobson, Public Service Commission

"Don, my friends are still talking about your amazing magic tricks at my wedding... we all would have been bored without you!" Kathleen Zakaluzny and Craig German, Winnipeg, Manitoba

"Thank you Don for helping make my retirement party such a wonderful success... I especially enjoyed your magic act and your wonderfully humorous comments. My family and I truly enjoyed all of it." Diane Crease, Regina

"Hey everyone... come here!!... this is the man who was here before – watch what he does!" 'Shakespeare', Haitian street vendor, Punta Cana , Dominican Republic

"Holy Mackerel! Bravissimo! That was fun!" Pope Benedict xvi

Now, to be fair, some references are not that glowing...

"Everyone can see how you did that." Blaire Stevenson, Don's daughter

"When Don finished his performance, everyone felt relieved." Kent S., Regina

"He was not nearly as bad as I was led to believe." Paul D., Saskatoon

In any event, to sum up these testimonials, I can guarantee my clients that at the end of my performance, everyone will be happier... some because I came... and others because I left.
